We miss you Dad. You never said "I'm leaving", you never said "good bye" You were gone before we knew it, and only God Knew why. There are no words to tell you just what I feel inside. The shock, the hurt, the anger might gradually subside. A million times I'll cry, if love alone could have saved you, you never would have died. In life I loved you dearly, in death I love you still, for in my heart you hold a place that no one could ever fill. It broke my heart to lose you, but you don't go alone for part of me went with you, the day God took you home. Things will never be the same, and all though it hurts so bad, I will smile whenever I hear your name, and be proud you were my dad.
